DON'T MISS THE OPPORTUNITY TO HAVE YOUR EVENT LISTED ON THE FNQSPW CALENDAR

Agencies, businesses and government organisations working in the mental health and wellbeing sector are encouraged to host an event during FNQ Suicide Prevention Week 2020.

Events should be aimed at raising widespread awareness of the issues of suicide and mental illness, and aid in reducing the attached stigma in the FNQ region. Events and their hosts will be listed in the FNQSPW calendar of events on facebook and website pages regularly.

Registrations close on Friday, 28 August 2020.
